Easy to use, hand-fed card printer.

The Magicard NEO range of ID card printers has been developed specifically for Asia, South America, Africa and The Middle East.

Incredibly easy to use with drop-in dye film and hand-fed card loading, the Pronto NEO includes the HoloKote® visual security system and can print colour, monochrome or rewritable cards. Its plug-and-play setup and compact footprint are ideal for portability and lower volume card printing.

Lightweight but robust, the Pronto NEO's small footprint makes it ideal for a reception desk or an office environment.
